Description

Modus™ Oak Square Section Return to Door Lever Handle Internal Steel Reinforcement on Unsprung Stainless Steel 4mm Rose. Suitable for Internal Use

Anti-vibration Rose

 All Modus roses incorporate a rubber o-ring that secures the rose outer to the inner to prevent the outer vibrating free

Bespoke Design & Materials

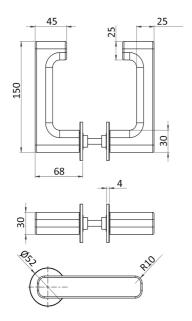

- This is a bespoke product range, almost anything can be done
- For finishes, we can offer waxes, oils and lacquers. All in differing gloss levels, colours and If you have a shade or colour in mind, we can try and match it
- Timber Oak is the go-to timber but almost any can be sourced and used. We have worked with Ash, Walnut, Sapele, Iroko and a few others
- Different timber will lend themselves to different style of handle based on the timber's qualities
